Part-II of Poem Reflection

BUILD

Part-I of Gospel Text: John2,13-25

A - 13 When it was almost time for the feast, Jesus went up to the city.

B - 14 In the temple courts he found people selling cattle, sheep and doves, and others sitting at tables exchanging money.

C - 15 So he made a whip out of cords, and drove all from the temple courts, both sheep and cattle; he scattered the coins of the money changers and overturned their tables.

2nd section

A - 16 To those who sold doves he said, "- Get these out of here! Stop turning my Father's house into a market!"

B - 17 His disciples remembered that it is written: "Zeal for your house will consume me."

C - 18 The leaders then responded to him, "- What sign can you show us to prove your authority to do all this?"

3rd section

A - 19 Jesus answered them, "- Destroy this temple, and I will raise it again in three days."

B - 20 They replied, "- It has taken forty-six years to build this temple, and you are going to raise it in three days?"

C - 21 But the temple he had spoken of was his body. 22 After he was raised from the dead, his disciples recalled what he had said. Then they believed the scripture and the words that Jesus had spoken.

4th section

A - 23 Now while he was in Jerusalem at the Passover Festival, many people saw the signs he was performing and believed in his name.

B - 24 But Jesus would not entrust himself to them, for he knew all people.

C - 25 He did not need any testimony about mankind; he knew what was in each person.

build ...
 one can build
 yes, man is able to do that
 by going on and do it for many years

build it on the rock of solid ground
 from foundation up to the roof
 completed - stone on the top of
 another hard rock - going up
 and reaching the fame

forty-seven years
 non-stop - daily work with sweat
 not becoming tired 'til it's finished
 what a wonder? - in the eyes of
 the pagan world and all others who
 may see - the dedicated work

as it meant to be settled - to host
 a permanent house - to lock in
 their small god and secure his presence
 as protection for sure and use him as
 friend in defense from others who should be
 excluded from the pious buddy-community

'til **one** came once as his advice was
 completely to destroy the visual monument
 and set the imprisoned father free from his jail
 that he might be able to inhale the fresh
 air for his spirit - to become renewed - in
 the freedom of the mercy and
 the truth
